Memory Box

Imaginative Learning Project for Year 1 Children

Can you remember being small? Being a baby and learning to crawl? Do you recall a favourite toy, maybe a teddy bear or a best-loved book?

Look back at family photos of special occasions, perhaps holiday snapshots or a birthday or two! Remember a wedding, or a christening and find a funny photo of your parents when they were young!

Learn how to write a diary of days gone by, and find out about the days before you were born: it's called history and it's all about the past.

Then make a special box; a memory box, to keep special things. In years to come you can revisit them and remember how you looked when you were young.

Memories are special... Let's make some more!
