

Cornerstones

Moon Zoom!

Imaginative Learning Project for Year 1 Children

CRASH! What's that in the playground? Let's go outside and take a look. Stand back everyone – it looks like a UFO has crash-landed!

Find out *who* might have landed by exploring the craft and investigating scattered scientific specimens. Create a 'Welcome to Earth' box for an alien explorer. What can you put in it to help explain what life is like on our planet?

Would you like to be an astronaut? You'll need a pretty sturdy spacecraft if you do. Start off small by making an air-propelled rocket... WHOOSH! How far can you make it travel?

Find out the names of the planets. There's Mercury, Neptune, Mars and... do you know any others? I've forgotten the rest!

Then, an alien is found... can you help get him home? It's got the experts in a right kerfuffle. Professor Pong doesn't know what to do!

Are you ready for take off Year 1?

Hold tight... 5-4-3-2-1... LIFT OFF!

ILP Focus	D&T
English	Posters; Character Profiles; Non-chronological Reports; Adverts; Science Fiction
D&T	Design and Make Space-themed Vehicles; Evaluating Toys; Using Mechanisms
Art & Design	Models of the Solar System
Computing	Drawing Software; Algorithms; Email; Photo Stories
Geography	Satellite Images
History	Significant People - Astronauts; Changes within Living Memory
Mathematics	Position and Direction
Music	Space Sounds; Space-themed Songs
PE	Dance
PSHE	Aspirations and Goal Setting
Science	Properties of Everyday Materials; Working Scientifically
