# Splendid Skies

Imaginative Learning Project for Year 1 Children

Imagine floating high above land and sea on a bed of clouds, silently sweeping by on a billowing breeze.

Back down to earth, let's take a walk outdoors. But what should we wear? Wellington boots? A sun hat? Maybe a warm coat? How do we know what the weather will be like today?

Read and write poems and postcards... and, if you don't like today's weather report, why not write your own?

Send a message by balloon. Up, up and away it goes, high in the sky and over the rainbow. How far will the wind blow it? Where will it land and who will find it?

What weather do you prefer? Sunshine, snow, storms or showers? Get your wellingtons on - let's go!

<b>ILP Focus</b>	Science
